Ebook Details:

Review: In this stunning new work Christopher Bollas has published a beautiful and welcome book on describing and treating psychosis (the schizophrenias). In its pages Bollas advocates for psychoanalytic treatment for these patients; he is not the first psychoanalyst to do so, but to my knowledge as both a clinician and the father of a deceased son with schizophrenia,...

Description: A leading psychoanalyst shares his experiences working with schizophrenic patients to show how effective talk therapy can be as a treatment. Many schizophrenics experience their condition as one of radical incarceration, mind-altering medications, isolation, and dehumanization. At a time when the treatment of choice is anti-psychotic medication, world-renowned...
